

# Key pillars of the **iCNG**

# incredible Performance

- 1 Best in Class Power
- 2 Easy City Maneuverability
- 3 Effortless Drive In Every Terrain
- 4 Retuned Suspension

# Best in Class Power

Maximum Power: **73PS**

The Most Powerful CNG Cars  
in their segments\*

\*Segment refers to cars less than 4m, engine size less than 1.2l

## Easy City Maneuverability

Reduces frequent gear shifts

▶ Reduces drive fatigue

Better real-world fuel efficiency

Improved clutch life

## Effortless Drive in Every Terrain

Easy climb on ghats  
with better gradeability

Climb ghats with ease without  
lowering gears or switching to  
petrol mode

# Retuned Suspension

Improved Ride Quality with retuned suspension

Ground Clearance\*

Tiago iCNG : **168mm**

Tigor iCNG : **165mm**

# Key pillars of the **iCNG**

# iconic Safety

1

Riding on Safety

2

Usage of Advanced Material in CNG kit

3

Thermal Incident Protection

4

Leak Detection Feature

5

Micro Switch

# Riding on Safety

Both the vehicles have been built on

**Proven platform for Safety**

**Use of High Strength Steel**

**Standard Safety Features**

Dual Airbags

ABS with EBD

Corner Stability Control

## Usage of Advanced Material in CNG kit

Use of high quality stainless steel  
for leak proofing

Component level traceability  
through barcodes

Rust & corrosion resistant

# Thermal Incident Protection

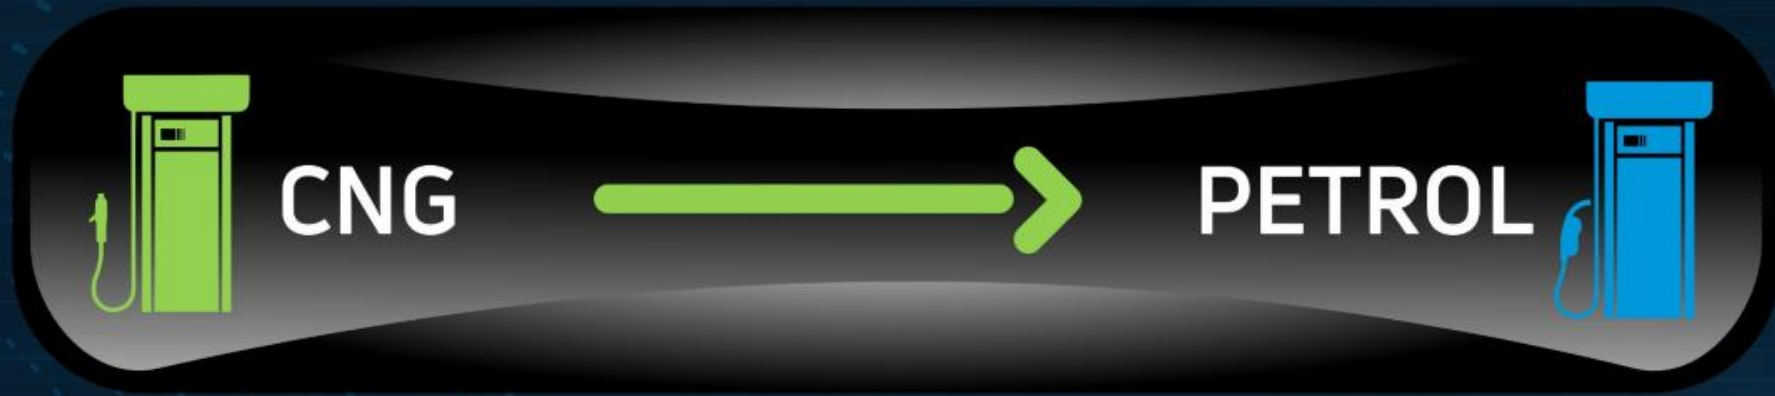

CNG Fuel cut off in case of thermal incident

Remaining gas from tubes released directly in to atmosphere

## Leak Detection Feature

In case of CNG leak, the fuel mode automatically switches from CNG to petrol

# Micro Switch

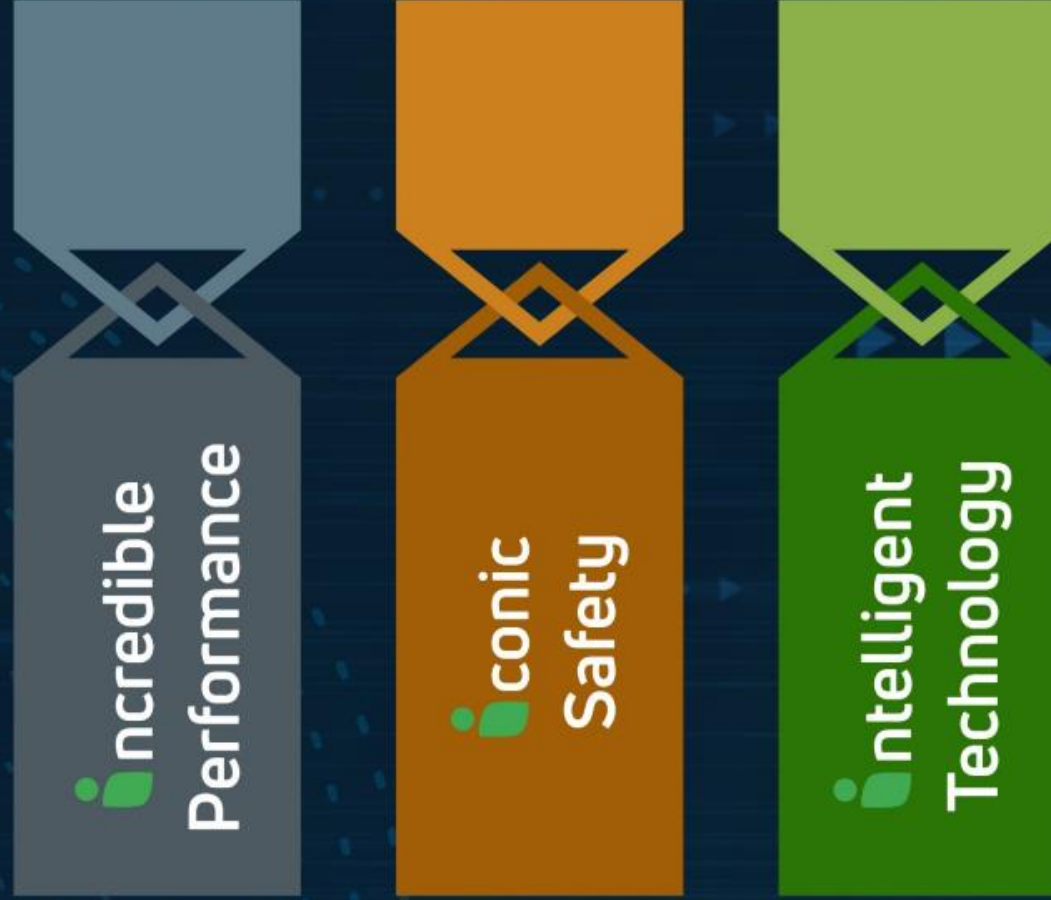

CLOSE FUEL LID

Switches off the vehicle on opening of fuel lid

Does not allow starting of vehicle unless fuel lid is closed

# Key pillars of the **iCNG**

# intelligent Technology

1

Single Advance ECU

2

Direct Start in CNG

3

Automatic Switchover Between Fuels

4

Faster Refueling

5

Digital Instrument Cluster

## Single Advanced ECU

Ensures quicker response and faster change between the fuels

# Direct Start in CNG

First in segment to start in CNG Mode

CNG Mode

CNG MODE ACTIVE

# Automatic Switchover Between Fuels

Automatic switchover from CNG to petrol and vice versa incase of low fuel

## Faster Refueling

NGV 1 receptacle special nozzle assists in faster and safer CNG refueling

# Digital Instrument Cluster

Enables convenient viewing for vehicle information

# TIAGO iCNG Variants

## XE

- Dual Airbags
- ABS with EBD
- Corner Stability Control
- Body Color Bumper
- Black & Grey Interiors
- Manual AC
- 14" Hub Caps
- Digital Instrument Cluster
- Rear Parcel Shelf
- Rear Parking Sensors
- Puncture Repair Kit
- Adjustable Front Headrest

## XM

- All 4 Power Windows
- Music System by Harman™
- Bluetooth Connectivity
- Front 2-speakers
- Rear Parking Sensors with Display
- Manual Central Locking
- Day Night IRVM

## XT

- Steering Mounted Controls
- R14 Full Wheel Covers
- Front & Rear Speakers
- Central Locking with Flip Key
- Body Colour Door Handles
- Piano Black ORVM
- LED Turn Indicator on ORVM
- Electrically Adjustable ORVM
- Cooled Glovebox

## XZ+

- Projector Headlamps **NEW**
- Signature LED DRLs **NEW**
- Premium Black and Beige Interiors **NEW**
- 7" Touchscreen Infotainment by Harman™
- 8 Speaker Surround Sound System
- Apple Carplay™ & Android Auto™ Connectivity
- Fully Automatic Temperature Control
- Rear Parking Camera
- Autofold ORVM
- Height Adjustable Driver Seat
- R14 Hyperstyle wheels
- Front Fog Lamps
- Rear Defogger
- Rear Wiper with Wash
- Dual Tone Roof Option

# TIGOR iCNG Variants

## XZ

- Push Button Start/Stop
- Autofold ORVM
- Infotainment System by Harman™
- 6 Speaker Surround System
- Steering Mounted Controls
- Rear Armrest with Cupholders
- Central Locking with Flipkey
- Manual AC
- Black and Grey Interiors
- R14 Full Wheel Cover
- All 4 Power Windows
- Front Fog Lamps
- Body Color Door Handles
- Piano Black ORVM
- LED Turn Indicator on ORVM
- Day Night IRVM
- Cooled Glove Box
